1. Do you, in your operations as recognizing NCB, request sample(s) while processing the "recognition" of CBTCs?

Yes/  No.

If yes, why?

Asking for samples will not be part of the regular recognition process; however, there might be a slight possibility to request the sample to verify results at any time during the certification procedure.

2. In addition to the CB Test Certificate and CB Test Report, what is needed in your opinion in order to increase your confidence in order to avoid asking for sample(s) and improving the recognition timeframe?

Nothing else. We only require the photographs in the report as per CTL-OP-107
