1. Do you, in your operations as recognizing NCB, request sample(s) while processing the "recognition" of CBTCs?

Yes/ No.

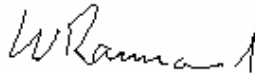

If yes, why? Test report information may not always be clear

2. In addition to the CB Test Certificate and CB Test Report, what is needed in your opinion in order to increase your confidence in order to avoid asking for sample(s) and improving the recognition timeframe?

We need clearer and more detailed information. Test report should be accompanied by good quality colour photographs
