E-mail: pro@iec.ch

Member Body: ANCE

Submission date: May 3rd, 2006

Detailed information related to “EMC Regulatory Requirements” that apply in your country when an Applicant seeks a Certification Mark from the relevant NCBs located in your country:

There is currently no mandatory requirement on EMC.

México, through its national standardization organizations is in the process of adoption of several international standards for emissions for a wide variety of products, however, to date, to reach the Mexican market there is no requirement in place.
