Detailed information related to “EMC Regulatory Requirements” that apply in your country when an Applicant seeks a Certification Mark from the relevant NCBs located in your country:

For an issuance of Certification Mark from the relevant NCBs, the need is fulfilling all the requirements of EMC Directive that meets e.g. all requirements of standards harmonized with this directive .

During the certification process for a Certification Mark, the CB-EMC Certificate is to be accepted only if European standards are equivalent of given IEC publications .
