

CTL DECISION SHEET

Standard: IEC/EN 61558-1/2005 Relevant Parts 2	Sub clause: Foreword	Sheet N°: 601/07 CTL-ETF5 CIG-OSM/LUM Page: 1 (1)
Subject: The use of the second edition of Part 1 in conjunction with the first editions of various sections of Parts 2	Key words: - Part 1 – Second Ed. - Parts 2 - TRF	Meeting: Decision confirmed at CTL 45th meeting
<p>Question: In the Foreword of the second edition of IEC/EN 61558-1 the following statement occurs: <i>“This new edition of Part 1 is only to be used in conjunction with parts 2 based on this edition. The Parts 2 contain clauses of this Part 1 in order to provide the relevant requirements for each type of transformers”</i>. However, only 3 sections of Parts 2 (2-1, 2-2 and 2-7) are based on the second edition of part 1 today.</p> <p>A) How do we deal with manufacturers that wish to use the second edition of Part 1 for sections of Parts 2 that are not based on second edition of Part 1? Can we use the second edition of Part 1?</p> <p>B) How to treat a case where a transformer is covered by two different sections of Parts 2, one linked to the second edition and the other linked to the first edition of Part 1?</p> <p>C) If so, what kind of TRF shall be used?</p> <p>Decision: A) No. B) Apply the corresponding Part 1. C) Use the relevant TRF.</p> <p>Explanatory notes: --</p>
