

CTL DECISION SHEET

Standard(s): IEC 60335-1:2001	Sub clause(s): 19	Sheet n°: DSH- 605
Subject: Abnormal operation	Key words: Compliance criteria	Decision approved by the CTL in the 44th meeting 2007
<p>Question:</p> <p>Many part two Standards introduce additional sub-clauses for clause 19 and these are numbered 19.101, 19.102 etc.</p> <p>These sub-clauses are published in the Standards at the end of clause 19, after the sub-clause 19.13.</p> <p>Should these additional sub-clauses be conducted after the assessment and tests of sub-clause 19.13, or should sub-clause 19.13 be conducted as the last test of clause 19?</p> <p>Decision:</p> <p>According to 19.1 the compliance criteria is included in 19.13 for all 19 sub-clauses, unless otherwise is specified in the sub-clause of the relevant part 2 or if it is evident that this sub-clause have its own compliance criteria and 19.13 is not applicable.</p> <p>Explanatory Notes:</p> <p>The same decision (n.362) is present in the OSM/HA decision list</p>
