

**COLLECTION OF THE CTL DECISIONS
DECISION SHEET**

Standard: IEC 60335-1:1976, 2 nd Ed.	Sub clause: 24.1	Sheet No. DSH-459
Subject: Components	Key words: - controls	Decision taken at the 40 th CTL meeting 2003
Question: Do the tests of Appendix A apply to thermal controls that can be short-circuited without affecting compliance with the Standard? Rationale: See question. Decision: Regardless of the effects of short-circuiting the control in clause 11, the tests of Section A2 of Appendix A apply. <u>EXPLANATION:</u> The same decision (n.37) is present in the OSM/HA decision list
