

**COLLECTION OF THE CTL DECISIONS
DECISION SHEET**

| | | |
|---|---|--|
| Standard: IEC 60335-1:1976, 2 nd Ed. | Sub clause: 26.7 | Sheet No. DSH-464 |
| Subject: Terminals for external conductors | Key words: - pillar terminals | Decision taken at the 40 th CTL meeting 2003 |
| Question: For terminals of the pillar type fulfilling the requirements of IEC 60998-1, can the requirements in IEC 335-1:1991 be used instead of the requirements in IEC 335-1:1976? Rationale: See question. Decision: The requirements for terminals of the pillar type as specified in IEC 335-1:1991 can be used instead of those in IEC 335-1:1976. <u>EXPLANATION:</u> The same decision (n.56) is present in the OSM/HA decision list CLC/TC 61 decision November 1994. | | |
