4. Board of Appeal

4.1 Responsibilities, Constitution & operation

4.1.1 The responsibilities of the Board of Appeal are

a) to recommend a solution to any dispute referred to it with regard to the application of these basic rules, and

to recommend actions to be taken against NCBs and CBTLs on complaints received regarding potential infringements to the Rules that could compromise the credibility of the IECEE Schemes.

to report to the CMC, for appropriate action, any observations relating to the technical content of the standards accepted for use in the IECEE and their applications, that has become evident when investigating a dispute.

4.1.2 The Board of Appeal shall consist of a Chair and four members with deputies, each of whom shall be associated with an Issuing and Recognizing NCB. They shall be appointed by the CMC, upon nomination by the Member Bodies of the IECEE.

Their term of office shall be three years, provided that they continue to be associated with an Issuing and Recognizing NCB, and they shall be immediately eligible once for re-appointment for a further period of three years under the same conditions.

If at the conclusion of a second or subsequent term there are no new nominees for the election for these positions, the CMC may by specific resolution decide to appoint the Chair of

the Board of Appeal or the members and deputies for a further term of three years in that position.

4.1.3 The Executive Secretary of the IECEE shall act as the Secretary of the Board of Appeal and shall have no right to vote.

4.1.4 For considering a case submitted to the Board of Appeal, the Chair and all four members or their deputies shall be present. A case may be dealt with by correspondence, with the agreement of the parties involved.

4.1.5 Neither the Chair of the Board of Appeal, nor the four members or deputies shall serve in a case in which an NCB of their country is involved. When necessary in such an event, a person associated with an Issuing and Recognizing NCB in a country not involved in the case shall be appointed by the Chair of the IECEE.

4.1.6 The parties interested shall have the right to be heard by the Board of Appeal.

4.1.7 Decisions of the Board of Appeal about its recommendations shall be taken by a simple majority of the four members. If the votes are equally divided, the Chair shall decide upon the action to be taken.

4.1.8 If a recommendation from the Board of Appeal is not followed, either party may submit the case to the CMC for appropriate action.

4.2 Procedure

4.2.1 An applicant, a Recognizing or Issuing and Recognizing NCB or a Member Body of the IECEE shall have the right to submit an appeal to the Board of Appeal.

4.2.2 When an applicant wishes to appeal against a decision taken by an NCB about a matter with which this applicant is concerned, the applicant shall first appeal according to the appeal procedure of the NCB concerned, when that procedure is applicable.

If the applicant is not satisfied with the outcome of the appeal at national level and the applicant thinks that the decision is against the Rules of the IECEE, or if the national appeal procedure is not applicable, the applicant may submit an appeal in writing to the Secretary of the IECEE within one month after having been informed of the decision, setting out all reasons for the appeal.

4.2.3 When one of the parties mentioned in 4.2.1 wishes to submit an appeal, it shall do so in writing to the Secretary of the IECEE, within one month after having concluded that it cannot come to an agreement, setting out its reasons in full.

4.2.4 In order to consider a case, the Board of Appeal should normally meet in conjunction with a meeting of the CMC. The Board of Appeal may however meet at any time, provided the complainant expresses willingness to pay the travelling and living expenses for the Chair, the four members and the Secretary of the Board of Appeal for this meeting. These expenses shall be notified in advance to the complainant and shall have been paid to the account of the IECEE before the meeting can take place.

4.2.5 When the Board of Appeal meets to consider an appeal as per 4.2.3, the following information shall be available:

a) the appeal;

the text of all correspondence between the parties and with the Secretary of the IECEE

that is essential for the appeal;

Extracts for the documented evidence that have been provided to the Secretary of the IECEE

Note: documented evidence comprises but is not limited to: infringement cases, extracts from the relevant reports on testing, photographs of the equipment or a specimen of it, drawings, circuit diagrams, instruction handbooks, etc., as necessary

Normally, these documents should be circulated at least four weeks before the meeting by the Secretary of the IECEE to the Chair and the four members of the Board of Appeal, and their deputies when they will serve on the case. Copies of all documents shall also be sent to the parties.

4.2.6 When the parties have agreed that the matter may be dealt with by correspondence, clause 4.2.5 also applies. The complainant shall have expressed its willingness to pay the costs, if any.

The Chair of the Board of Appeal may then propose a solution for consideration by the members of the Board of Appeal. It is the duty of the Secretary of the IECEE to assist the members and the parties.

When the decision is taken by correspondence, notes or minutes relevant to the decision shall be written.

4.2.7 The Board of Appeal shall deal with the case confidentially.

4.2.8 The parties involved each have the right to call an expert to advise the Board of Appeal on matters relevant to the case.

4.2.9 During the adjudication of the case, only the Chair, the four members or their deputies and the Secretary of the Board of Appeal shall be present.

4.2.10 The Board of Appeal shall give its recommendations in writing, within one month after the meeting, to the parties, and, if action with regard to standards is needed, to the General Secretary of the IEC.

4.2.11 The recommendations of the Board of Appeal shall be presented to the CMC at its next meeting in such a way as to safeguard the anonymity of the parties, when that is desired. When an NCB or a Member Body of the IECEE has not followed a recommendation of the Board of Appeal, the CMC shall decide on appropriate steps to be taken.
